A prayer for this time

Love never fails

Even in the darkest moments, love gives hope.
Love compels us to fight against coronavirus
alongside our sisters and brothers living in poverty.
Love compels us to stand together in prayer with our
neighbours near and far.

Love compels us to give and act as one.

Now, it is clear that our futures are bound together
more tightly than ever before.

As we pray in our individual homes – around the
nation and around the world – we are united as one
family.

So, let us pause and find a moment of peace, as we
lift up our hearts together in prayer.

Amen
