A prayer for this time

Praying for medical professionals, caregivers, and
researchers:

Faithful God, we pray for our healthcare workers and
first responders. Renew their energy and sustain
them on long shifts. Bring your protection upon them
as they work with patients. Multiply their supplies so
they have the protective items needed to stay safe on
the job. Inspire and invigorate the research doctors
developing better tests to diagnose the virus, create
vaccines to prevent it, and identify protocols to
eliminate the disease's spread. **Amen**
